Big Change 4 Small People (Milk Bottle Collection)

February's collection went towards helping some of the children the Hansen family were working with in Hungary. March's collection is going to support the work Potters helped establish in Thailand - specifically helping to purchase some new bed mattresses for the girls' dorm. "Thank you for your ongoing support for the Thai projects, including the hostel ministry for tribal high school girls".

A Message From Mervyn

This week Reece has a particularly busy one being involved in Presbytery events in Waikaka and Balclutha, just part of being a minister in the Southern Presbytery.

So this morning you've got me and we'll be sharing some thoughts on refreshment and what the Bible has to say about it.

Cromwell in a way is a place of refreshment. Many people come to have a holiday and our leisure activities make it a wonderful place for that. We often have visitors with us at Sunday services. We trust too that they will be refreshed as we worship together.

Blessings

Mervyn Mitchell
