

We will positively praise and reward Godly & Good

- behaviour
- attitude
- servanthood
- leadership

To ensure that all children and leaders are able to enjoy and participate fully in the programme, each child is expected to:

- Respect the leaders (listen courteously, follow instructions and fully participate)
- Respect each other (encourage and build one another)

If a child is behaving inappropriately, a leader will take the child aside and explain what the expected behaviour is and ask them to join in appropriately. If the behaviour does not improve, the child may be taken into church to sit with their parents.
